

# PRICE LIST

## Specialising in weight loss medication

### Consultation Fee

£30

Book your consultation with a member of our team - Kathy or Sarah - who will work with you to understand your goals, check your eligibility for the medication and answer any queries you may have. (Please note if you decide to proceed with the medication, this fee will be deducted from your bill).

### Cost of medication

Clients will be prescribed specific medication from information provided in your consultation - discounts are available for packages of medicine (multiple medication pens).
